

# FEASTS OF JHWH AND THE BLOOD-RED MOON

## Very special solar and lunar eclipses 2014-2015 in the light of Bible Prophecy

All must know that JHWH, the God of Israel, speaks through a variety of witnesses, even though many may not take heed or pay attention to them. He speaks from His Word, but also through His signs in the heavens and upon the earth. The sun and the moon are set for "signs, and for seasons, and for days, and years" (Gen. 1:14). Without these, we would not have known time, nor be able to measure time. They also determine the times and seasons of His Feasts given to Israel. These Feasts (simply put) are: Passover, Pentecost and Tabernacles. All these Feasts are spiritually fulfilled in Yeshua the Messiah, and are still being fulfilled in the believers in Him. It is not our purpose now to write about the meaning of these Feasts of JHWH, but **to make it known to everyone that a combination of these Feasts with a series of lunar and solar eclipses may point to some very special prophetic events!**

*Biblical calendar concerning the Feasts of JHWH*

In the year 2008, a Messianic pastor from the United States named Mark Biltz, came forward with a special discovery or revelation. He saw that there has been in the history of mankind moments wherein a succession of lunar and solar eclipses **coincided** with the Feasts of JHWH. This has not happened often. The world has witnessed of such an event only 7 times since the coming of Yeshua the Messiah. The special aspect is that 2 of these 7 were associated with an extremely important prophetic event with regard to the people and land of Israel!

We know that Israel was re-established in their land in the year 1948 after having been dispersed for a little over 25 centuries, just as was prophesied in the book of Daniel. She is as it were re-born... Most will also have knowledge of the year wherein Israel was allowed to place her banner again above Jerusalem. In the year 1967 Jerusalem was again in her hands after having been "*trodden down by the gentiles*" for a long period of time. The Bible calls this development "the end of the times of the gentiles or nations" (see Luke 21:24 and Daniel 4).

**Now, this man Mark Biltz has recently discovered that around the year 1948 as well as the year 1967 the world experienced a "tetrad"<sup>1</sup> of blood-red moons on one of the Biblical Feast-days! In other words; these important prophetic fulfilments were indicated and sealed by God with signs in the heaven!**

## The years of tetrads on JHWH's Feasts

- 1. 162/163 Passover/Tabernacles
- 2. 795/796 Passover/Yom Kippur
- 3. 842/543 Passover/Yom Kippur
- 4. 860/861 Passover/Yom Kippur
- 5. 1493/1494 Passover/Trumpets
- 6. 1949/1950 Passover/Tabernacles
- 7. 1967/1968 Passover/Tabernacles
- 8. 2014/2015 Passover/Tabernacles

**We observe from these dates that just after and during the establishment of the state of Israel in the year 1948/1949** (the armistice agreements between Israel and several Arab nations were signed in 1949) **there was a tetrad which coincided with the Biblical Feasts! Furthermore, the world witnessed a similar tetrad in the very year of the liberation of Jerusalem in 1967 and the year after!** This is truly remarkably in the light of Bible prophecy. The facts speak for themselves; JHWH has made the sun and the moon, and also the solar and lunar eclipses, and when these coincide with His ordained Feasts, they point to an extra-ordinary prophetic event. This is apparently specially noticeable since His people Israel have returned to the Promised Land.

The next fact demands therefore our full attention! The coming tetrad is already to be seen in the year 2014-2015. On the next dates there will be a lunar eclipse (= blood-red moon) on a Biblical Feast day:

- Passover 15th of April 2014
- Tabernacles 8th of October 2014
- Passover 4th of April 2015
- Tabernacles 28th of September 2015

They say (but we are yet to confirm this) that there will be no such tetrad on JHWH's Feasts for hundreds of years...!

<sup>1</sup> A "tetrad" refers to 4 successive lunar eclipses. A lunar eclipse occurs when the earth is exactly positioned between the sun and the moon. A solar eclipse takes place when the moon is situated right between the earth and the sun. See also: [www.mreclipse.com](http://www.mreclipse.com) and other websites.

## Lunar Tetrads on Feasts of JHWH Since the Ministry of the Messiah on Earth

|-------------|-------------|---------------|---------------|---------------|
|             | 795/<br>796 | 860/<br>861   | 1949/<br>1950 | 2014/<br>2015 |

With the events of 1948 and 1967 in our minds, the emphasizing of the years 2014-2015 after this manner should at least stir up our deepest interest! What is the Lord saying? Just what is the Lord drawing our attention to? What is He saying to us?

Furthermore: the year 2015 shall witness a total solar eclipse on the Biblical sacred new year - the first of Nisan<sup>2</sup>. Also at the times of the Feast of Trumpets 2015 there will be a solar eclipse, but this one shall be partial

- Nisan 1 2015 (total solar eclipse)
- Tishri 1 2015 (Feast of Trumpets); partial solar eclipse

On the website of [www.hebcal.com](http://www.hebcal.com) we can look up the exact dates of all these Feasts.

### Our remarks concerning these special signs:

Although no one can with absolute certainty tell what these special signs mean, we would nevertheless wish to make a few observations within the frame of the Word of God and what has already been fulfilled in Israel.

Is it not so that we are living at the end of the age now Israel is back in the land? Is it not so that since the year 1948 in particular, a process or development has commenced whereby the "times of the gentiles"<sup>3</sup> have begun to end? May we not therefore expect that between now (2013) and the end of 2015, we will possibly witness an event in and around Israel whereby this development will make further (perhaps dramatic) progress?

<sup>2</sup> This is the month of the exodus of the which JHWH said: This month *shall be* unto you the beginning of months: it *shall be* the first month of the year to you (Exo. 12:2)

<sup>3</sup> The "times of the gentiles" refers to that long period of time wherein non-Israeli powers and kingdoms would rule over the people and land of Israel. With the return of the Israelites to the Promised Land, and the establishment of the state of Israel, this long period of the "times of the gentiles" has begun to end.

We expect an intense conflict between Israel and the surrounding nations, wherein Israel will be chastised by JHWH, and the nations round about will be judged, in accordance with many Scriptures. We perhaps can also expect that the heart of Jerusalem (the Temple Mount) will be delivered into the hands of the Israelites. After Israel has drunk from this cup of God's wrath, this cup will be given unto the nations to drink (see Jeremiah 25). These events we interpret as **the beginning of the last and seventh vial of God's wrath, as is written in Revelation 16:17-21**. This great "earthquake" in the Middle East will have disastrous consequences for the rest of the world, and in particular for "Babylon the Great, the mother of harlots" (Revelation 17-18). A collapse of the economy will make an end to her foundations from which there will be no recovery! The city Babylon consists out of the Roman Catholic Church with all her daughters and all those who have associated themselves with her. Yeshua, our **true** Shepherd, High Priest and Christ warns His people to come out of this Antichristian City (Rev. 18:4). There is but little time left to give heed to His voice. Therefore come out from her, and do not partake of her sins, that you also may be spared from her downfall and destruction!

*Seek ye the LORD, all ye meek of the earth, which have wrought his judgment; seek righteousness, seek meekness: it may be ye shall be hid in the day of the LORD'S [JHWH's] anger (Zeph. 2:3).*

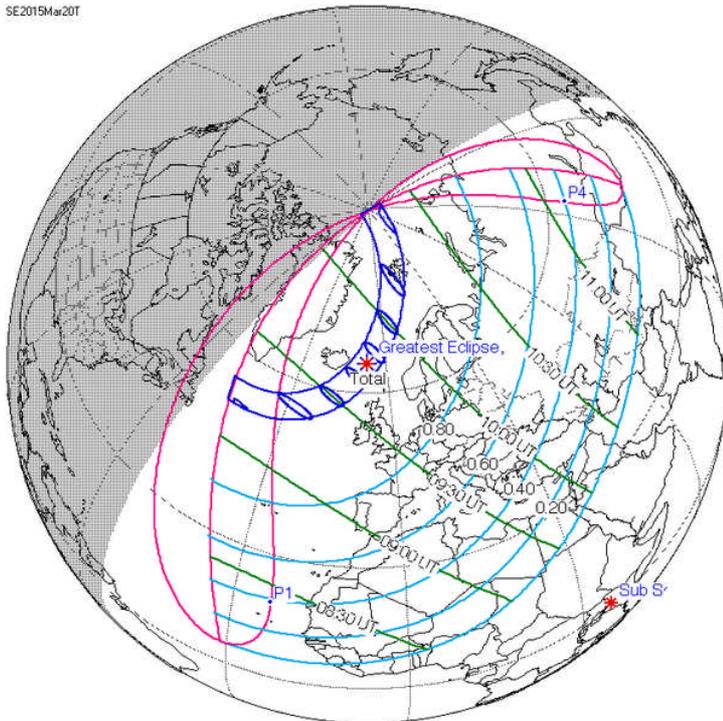

Yeshua is returning soon indeed. There is no doubt about this. Israel after all is again in the midst of the nations! Do we see the signs of the times? The years 1948 and 1967 saw the beginning of the end of the times of the Gentiles over Israel. What therefore will the years 2014-2015 (or the year 2013, 1 year before the tetrad, like in 1948) bring forth? Put your life in order in Christ and break with all unholy alliances, that He may see and keep us in the time of His coming wrath over Babylon and the nations. Hear the trumpet and rise up out of slumber! The Bridegroom is coming; go ye out to meet Him....
