

THE MOST HOLY PLACE

Lord we look to You Most Holy
Lead us to Thy Secret Place
For we would dine with You in glory
And gaze in awe upon Thy Face
Oh great Shepherd arise and gather
All Your sheep unto Your Feet
For You are our sure Foundation
And it is Your Face we seek!

Arise O Lord and take vengeance
Pour out Thy wrath on all our foes
Hear our prayers and tears of pleading
Deliver us from all our woes
For the enemy's encamped around us,
Plotting to destroy our faith
But they will flee should You surround us
With Your glory and Your grace.

Be a wall of fire around us
Protect us from their scourge of lies
For deception is all about us
Oh Lord please teach us to be wise.
Hold us tightly by Thy Hand Lord
And hold us closely to Thy Chest
Keep us on Thy path of Truth
That we might enter Thy sweet Rest.

Lord in these day of gross deception
Wherein lies and falsehoods do abound
Increase our sharpness of perception
And lead us onto holy ground
Oh Lord help us to be faithful
To walk in truth, discerning lies
To You Lord we would be most grateful
If You would sharpen our discerning eyes.

For Satan is like a roaring lion
Seeking whom he may devour
Keep us marching on to Zion
In this dark and evil hour
Lord help us to be ever watchful
Against his subtle cunning lies.
Keep us pressing ever onward
Towards the mark to win the prize!
